

## WELCOME

Welcome back to term 2. I hope you all enjoyed a relaxing holiday. This short week will be a nice easy move into the rigours of this term.

Thank you to the families who helped in the Kindy busy bee over the break. The garden area is looking amazing.

**Thursday and Friday of this week we have the Life Education van in the school. The work the students are doing with this group is part of the health curriculum. Notes for this incursion went home in the last week of term 1 for this event. Please have your child's consent forms returned and paid to the class teacher for the session.**

### **Life Education Van - Parent Information session**

The Life Education caravan will be open from **8:15 to 9:15 on Friday 28<sup>th</sup> April.** This is an opportunity for you to find out about the topics your children will be covering during their visit to the Life Education Van, and to meet the Educator for an informal chat. You are welcome to visit the van at any time during this session. The van will be parked near the canteen.

You don't fool yourself into doing things you know are wrong. You fill your life and your mind with things that help you to live a good, clean life.
