

## WELCOME

Our year 3 and 5 students are working through the NAPLAN tests this week. Today there were mixed reactions to the Language Conventions and the Writing tests. Some of our students enjoyed the challenges the tests provided.

## THANK YOU:

This week is National Volunteers Week. Our school would not be humming along as well as it is without the support from our volunteers. A heartfelt “thank you” to everyone. Every little thing you do helps our students succeed.

## PARKING:

Thank you to everyone for parking better in Bunya St. You must be diligent in watching for our children, so an accident doesn't happen.

## MOVING FORWARD AIMING HIGH

Resource Committee: Leader Fran Armstrong

The Resources committee is mainly focussed on the Student Centred Funding model and training staff up on processes for this and planning for the budget. With the changes in the funding model from 2015, this has been an important role for this group. Also we are proactive in our workforce profile and planning for the future.

The committee also oversees the ICT committee and ensures that our equipment is ready to improve digital learning in the school.

### Last week's recipients of Virtue and Merit awards

### VIRTUE OF THE FORTNIGHT - Honour

What is Honour?

Honour is living with a sense of respect for what you believe is right. It is living by the virtues, showing great respect for yourself, other people, and the rules you live by. When you are honourable, you don't have to feel ashamed of who you are or what you are doing. You are worthy of respect. You set a good example.
