

WELCOME

After a very busy week last week with NAPLAN and Mother's Day events, it is nice to settle into a quiet week of work.

Thank You

A huge thank you goes out to the P&C mums and the Fathering Project's Dads for a fantastic Friday last week. The breakfast was wonderful and very much appreciated. The plants for the sale looked fantastic and I hope they got home in one piece.

Resources for families:

Listed in the "at school" section of The Department of Education website there is a list of resources for families. These include learning resources for all year levels. Resources include information on helping your child at home with the core subjects in primary school, through to "Essay Terms explained" for year 11 and 12. Have a look when you have some spare time.

MOVING FORWARD AIMING HIGH

This week's focus is The Relationship Committee: Leader: Andrew Brunt

This committee works on building a culture of trust and respect through effective communication across the school community. This includes collaboration and communication amongst all stake holders of our school; School Council, P&C, students, staff, parents and administrators. The Relationship Committee develops surveys and collates and interprets data, reviews and improves protocols, updates relevant policies and defines the school's Vision Statement.

Ms Mel Jennings continues to visit our school each fortnight this term in a capacity as curriculum advisor and support role.

This competition runs until the end of term 3 so there is still plenty of time to make your deposits and receive entry into the draw. CommBank school banking also benefits our school. For every deposit made, the school receives a commission. We also receive a commission for every new student who signs up. Last term we earned \$161.51. Thank you to all our banking students. It is never too late to get involved. You can open a YouthSaver account through any branch of Commonwealth Bank or go online to <https://www.commbank.com.au/personal/kids/school-banking.html> and follow the links to open an account. We look forward to seeing you all at banking on Tuesday or Thursday mornings in the P&C block. Tuesday is a great opportunity to miss the rush on Thursday.
