

## WELCOME

Undeniably, sport is an important part of primary school life. There have been many studies that outline the importance of sport, each with their own conclusions, however they all share common themes about why sport is important for school-aged children. Sport helps children to develop physically, socially and mentally, enabling them to better cope with the demands of school life, by:

- developing co-ordination and gross motor skills
- building self-confidence and self-esteem
- developing positive attitudes
- building resilience
- encouraging teamwork
- supporting discipline
- reducing the risk of obesity
- promoting healthy bone and muscle development

Mr. Farrell works hard with our students to achieve this development in our school. Term 3 is when he and the students shine during the sports carnival and the interschool carnival.

### **Moving Forward Aiming High**

Staff have continued to be involved with their Committees, Professional Learning and participating in all school initiatives. We look forward to inviting our Regional Director, Mr Jim Webb, and the head of the ERG team, Mr Rod Lowther to visit our school early next term.

The PBS team continue to send out a request for anyone in our school community who have connections with a graphic designer or visual artist who would be willing to offer some assistance in the development of our PBS logo. This will be used in signage for our school, classroom posters, on our school's Behaviour Matrix and possibly even for stickers. Such a person could be a university student or perhaps a willing parent/family member. If interested, please contact either Lisa Gibson or myself via the front office. Thank you!

Lisa Thomas (ERG Project Manager)

## LONG BOMB KICK

Year 6 student Brandon Cappeau recently won the Fremantle Dockers Long Bomb kicking competition.

All students from Year 3 to 6 participated in the Dockers Long Bomb (kick for distance) and Kwik Kick (kick accurately with a partner) competitions during PE lessons in Term 2. Boy and Girl winners from each year level were then invited to the State Semi-Finals which took place during the July school holidays at the Dockers club headquarters in Cockburn.

Brandon then progressed through to the State Grand Final which was held at Domain Stadium during the Dockers AFL match against the Gold Coast Suns. Brandon launched one of the monster kicks he is famous for and was crowned the Boys Year 6 State Long Bomb winner, a great achievement!

## MCF Choir

Our Choir will be performing at the Massed Choir Festival at the Perth Concert Hall on Wednesday 20 September from 7:30-9:00pm. ## P&C NEWS

### Uniform shop

The uniform shop will be open this Friday from 8:30-9:00am. This will be the last opportunity to purchase a faction shirt for your child before the faction carnival events. If you are unsure of your child's faction, please see your classroom teacher.

### Cake Stall

We are looking for donations for the cake stall on Friday 1 September. All cake and savoury food donations need to be NUT FREE. A cardboard tray will be sent home with a list of ingredients a few days before the sports carnival. We ask that any donations arrive ready for sale, cut into slices (if required) the morning of.

### School 20K Giveaway

*The West Australian* and Channel Seven are giving West Australian Schools the chance to WIN a share of \$20,000 to help buy the things needed to make learning that little bit more fun!

On Saturday August 26, Wednesday August 30 and Saturday September 2, 2017 an entry coupon will appear in *The Weekend West*. To be in the running to WIN, schools must collect as many entry coupons as possible through their school, friends and family.

Please leave any coupons collected in the P&C Block.

### Book Fair

The Scholastic Book Fair last week was a big success. We sold over \$3352.00 worth of books giving the school \$879.00 to spend on new books and resources for the library.

Thank you to everyone that participated in this event and to our fantastic organisers that turned the library into a beautiful reading rainforest and ran the event so smoothly.
