

## WELCOME

What a fantastic day yesterday was. A huge thank you to all our volunteers on the day and especially to Mr Farrell for another well organised carnival. It was terrific to not see a raindrop for the whole day. Congratulations to those students that will be going to the Interschool Carnival on Friday 15 September at West Morley.

### **The Importance of Reading to Children:**

Reading to your child helps to develop a love of literacy and words. It is also a time for sharing, closeness and quality family time, which leads to a love of reading.

#### **Talk about how we use books.**

Show your child how to handle books with care, holding the book the right way up. Look at the cover, read the title, begin from the front and get to the end.

Use your library, fetes, second hand shops and markets to get a variety of books. Spend at least 10 wildly happy minutes every single day reading a book to children. From birth!

#### **Read at least 3 stories a day.**

It may be the same story 3 times. The kids will learn something new each time.

#### **Read with an interesting voice.**

Listen to your voice – make it loud and soft, fast and slow, and high and low.

#### **Read to the kids with joy and enjoyment.**

Real enjoyment for yourself and great joy for the children.

Read stories that your child loves, over and over and over again. Let them hear lots of language by talking about the pictures or anything else connected to the book.

Also, read to your older child too. Once they can read, they still enjoy being read to.
