

WELCOME

The world of social media and technology is fast becoming the centre of our children's universe. It can be a challenging task for parents to stay on top of the dangers of social media and technology, while monitoring their child's online behaviour and finding balance.

We are offering a workshop for parents to learn more about managing children's technology use, including an introduction into the most popular social media platforms and practical tips for keeping kids safe online. We will also cover information on setting boundaries around technology, online behaviour management, and tools for managing technology both in and outside of the home.

If you've ever struggled with getting your kids off their games and into bed, worried about knowing what your child is accessing online, or felt concerned that your child was spending too much time in the digital world, this workshop is for you!

North Morley Primary will be hosting a FREE Cyber Safety parent information session which will be held on Wednesday 29 November at 7:30pm. This is an important school event for all parents to attend.

VIRTUE OF THE FORTNIGHT - Patience

What is Patience?

Patience is quiet hope and trust, expecting things to turn out all right. Patience is being calm and tolerant when difficult things happen. It means showing acceptance when you or others make mistakes. Patience is doing something now so that later it will bear fruit, like planting a seed and waiting for it to grow. Patience is commitment to the future.

END OF YEAR CONCERT

The end of year concert - Robin Hood, will take place on Friday 1 December. There will be a matinee performance at 9:00am followed by an evening performance at 6:00pm. Students have been told to come in costume inspired by Robin Hood. We encourage everyone to be creative with what they have at home to keep costs down. The music room requests that the costumes be ready for the dress rehearsal on Friday 10 November.

PLAYGROUP

Playgroup continues to run on Wednesday mornings between 9am and 11am in the after school care area. Please remember to bring along a piece of fruit and your attendance fee of \$2 to pay for consumables. New families always welcome.

P&C NEWS

Meeting

The P&C is meeting tonight at 7:30pm in the staffroom. Everyone is welcome to attend.

Secretary

We are looking for someone to volunteer for the role of P&C Secretary for the 2018 school year. This role involves attendance at P&C meetings, taking the minutes at these meetings and handling the correspondence for the P&C. If you would like to find out more about this role and how you can be involved, please see Emma Harris or pop into the office.

School Banking

Don't forget banking runs on both Tuesday and Thursday mornings between 8.30 and 8.50 in the P&C block. The Future Savers competition continues this term with some games you can play by downloading the Future Savers app! If you're not a registered banking student and would like to have a look, check in App Store or Android stores for Future Savers. You'll need a new \$5 note to make it interactive and then can play either of the games released so far. The final game will be released on Monday.

Fete

With only three weeks until the fete, everyone is very busy getting their classroom stalls ready. We are still in need of volunteers. If you are not a parent from Room 1 but are a bit crafty - we need your skills! If you are not a parent in Pre Primary but you have a bag of goodies perfect for the Pre Primary class- please donate! Many hands make light work. Please see your classroom rep or the office if you can assist in any way.

We are looking for volunteers/items for the following:

Fathering Project: Sausage Sizzle	The Fathering Project is looking for dads, granddads and uncles to jump on the BBQ for an hour during the day.
Room 1: Homemade gifts	Homemade craft items and preserves. These can be items you have already made or time you can volunteer to help make.
Room 3: Cake Stall	Notes requesting baked sweet and savoury items have gone home with students. Please return to school ASAP if you are able to donate.
Pre Primary: Fun Jars	Items for the Pre Primary 'Fun Jars' stall. An example of items needed to fill the jars - craft supplies, mini note pads, Lego, stamps, glitter, ribbons, washi tape, beads, sewing items, body scrub, stickers etc.

Great fun in After School Care

Our Out of School Hours' Care programs are always so much fun! That's because our programs consist of a range of activities that allow your child to learn something new every single day, such as:

- ✓ **Indoor and outdoor play time fun** – free time play promotes physical wellbeing and an active lifestyle. We find that indoor and outdoor fun also helps your child to unwind outside of school hours
- ✓ **Creative time** – we always allow time for creative outlet activities in the program. We believe that arts and crafts help to extend and encourage your child's interests, imagination and self-expression
- ✓ **Manipulative and logical play** – we provide the necessary resources to allow your child to learn new things through seeing, feeling, reading and doing, such as playing with building blocks, conducting scientific experiments as well as cooking
- ✓ **Social and development skills** – we help to build your child's communication and social development skills through group co-operation and community involvement games and activities
- ✓ **Homework and quiet time** – it's important that we allow your child to have the flexibility to sit and read or do their homework, should they prefer some quiet time outside of school hours

We'd love to meet you

We welcome you to visit our program at any time. You'll also meet the team and will have an opportunity to ask any questions that you may have about the program.

We look forward to seeing you and your family soon.

From the Team at Camp Australia
