

WELCOME

Thank you to everyone for making the fete such a huge success on Sunday. A huge thank you goes to all of our volunteers, staff and students, P&C members, and our fantastic Fete Committee. Wow! What an effort.

All children need to feel that their world is a safe place where people will care about them, where their needs for support, respect and friendship will be met, and where they will be able to get help to work out any problems. When these needs are met children develop a sense of belonging. Our Fete helped build that feeling of belonging for all our families.

A sense of belonging has been found to help protect children against mental health problems and improve their learning. Children who feel that they belong are happier, more relaxed and have fewer behavioural problems than others. They are also more motivated and more successful learners.

We have a wonderful school community.

P&C NEWS

We had no idea what to expect of our first fete. There were moments when we wondered if a school of this size would be able to pull it off. The process of putting together an event like this involves a lot of planning, a little guessing and a whole lot of heart. The response from both the school and the greater community on Sunday was more than we could have hoped for. We want to thank everyone who helped make the day such a success. Many members of the community approached us throughout the day to let us know what a fantastic school they thought this was and how welcome they felt. A real testament to our school.

Thank you to the class representatives, staff and students who worked hard throughout the year to put their stalls together. They looked fantastic. Thank you to all of the people who donated items, spent time getting the school grounds ready, volunteered their time on the day, came early to set up, stayed late to pack away and spent the day volunteering. We couldn’t have done it without you.

Lastly I would like to say an enormous **THANK YOU** to our committee members:

Kelly Dansie, Emma Harris, Raelene Forster, Rachael Borshoff, Kelly Thomas and Rachel Baines who have worked so hard this year to put this event together. There have been a lot of volunteer hours involved in pulling this event together and these ladies did an outstanding job.
