Virtue of the Fortnight – Determination

What is Determination?

Determination is focusing your energy and efforts on a task and then sticking with it until it is finished. Determination is using your will power to do something when it isn't easy. You are determined to meet your goals. Even when it is really hard, or you are being tested, you still keep going.

Congratulations to our head girl and head boy for 2018, Krystal Ta and Lance Nieves.

Congratulations also to the above students for receiving certificates at last week's assembly.

Edu Dance

Edu Dance will take place every Wednesday next term for students from Pre Primary to Year 6. It is a component of the Phys. Ed. Curriculum. Please have your child's completed consent form along with full payment of \$28.00 by Thursday 12 April.

Cyber Safety Event

We will be hosting another ySafe Cyber Safety session for parents on Thursday 10 May from 6-8pm. We invite all parents that missed the session we ran last year to come along. It is very informative and we received positive feedback from the parents that attended. We will be running a movie night at the same time for those families that will be bringing their children along. More information will be sent home at the beginning of next term.

Tennis Lessons Term 2

Rhys McDougall from Play Tennis will be returning in Term 2 to continue tennis lessons at North Morley. Lessons run on Thursdays for 8 weeks from 7:30 – 8:15am. The Cost is \$120 for the term. To book your child(ren) in, please contact Rhys at rhys@playtennis.com.au. The first lesson will be on Thursday 10 May.
