

28 August 2018 | Term 3 Week 7

Welcome from the Principal

All of the athletics training this term has been leading up to this week. We started with our Factions Jumps and Throws events yesterday. Congratulations to all of the students who took part. The Faction Carnival is this Friday. Students are to come dressed in their faction shirts. We welcome families to come and cheer on the students. Included in this newsletter is the program of the days events.

The P&C will be running a cake stall and Father's Day Raffle. Bring along your loose change and support the P&C.

Students will be able to eat lunch with their families on Friday. However please make contact with your child's teacher at the start of lunch if your child is going to eat with you. Just a reminder that it is essential that we know where your child is at all times as the staff still have duty of care.

I would also like to remind parents to please enjoy the days events from the designated spectators viewing area. Please refrain from visiting your child in the faction bays.

Thank you to Mr Farrell, Mr Kell and all of the staff for the preparation that has gone into organising this week.
