Inter-House Swimming Carnival

On Tuesday 26 February 2019 students in Years 4 - 6 will be participating in the Good Shepherd Inter-House Swimming Carnival. The carnival will take place at Bayswater Waves Aquatic Centre commencing at 9.15am and concluding by approximately 2.15pm. The carnival runs as a normal school day and non-participation needs to be covered by a medical note. Students unable to swim due to medical reasons should attend on the day and will be allocated jobs that will assist with the organisation of the carnival.

Buses will transport all students from school to Bayswater Waves Aquatic Centre, departing at 8:50am and returning to school at approximately 2:30pm. Parents may take their child/children home directly from Bayswater Waves Aquatic Centre at **the conclusion of the carnival**, however class teachers **must be informed** before leaving the venue. Parents will not be permitted to take children other than their own home from Bayswater Waves without a note informing the class teacher.

Children are required to wear bathers that are appropriate for a school carnival. They should wear these under their school sports uniform with their house t-shirt to school. They also need to have their school hat, sunscreen, a towel, recess and lunch, a drink bottle and goggles all in their school bag.

Students will be asked to nominate for the events they will swim in during swimming lessons and class over the next few weeks. Students will be able to swim in either the novelty event, 25m or 50m for each stroke. Only students in a swimming stage of 6 and above can nominate for the 50m events. The Interschool team will be selected from the results. Only students swimming in the 50m events will be considered for selection based on times from the day. Students will be notified of their inclusion in the team and details regarding training sessions.

Once again we are asking for our fantastic parent helpers who are able to assist on the day with a number of duties including timing and place judging. Please fill in the section below if you are available to help and return via the office. Parents will be notified if their assistance is required.
